

Streck

“Part of the way I work is very involved in how we look at things – as if we are always on a visit to a museum. Streck is the result of this – the essence of a particular type of fitting I have always loved. With just a few, very carefully selected lines, the Streck family has been given a long life,” says Joel. As always, a lot of thought has gone into the details. This includes considering how the electric cable will hang, as this is strongly connected to the longevity and appeal of the product.

Specification

TECHNICAL SPECIFICATION

Design	Joel Karlsson
Electrical data	Class I IP20 230V
Description	Powdercoated steel, powdercoated ceiling cup, suspended with powdercoated steel pipes
Connection	Hard wired, ceiling cup included
Light source	Fixed 2x 6W LED-module included, dimmable

ARTICLE NO. & MODEL

35922-01-000	White RAL9016/ brass
35922-02-000	Warmgrey NCS 4005-Y20R/ brass
35922-10-000	Misty blue NCS 5020-B10G/ brass
35922-15-000	Black RAL9005/ brass
