

# Streck

“Part of the way I work is very involved in how we look at things – as if we are always on a visit to a museum. Streck is the result of this – the essence of a particular type of fitting I have always loved. With just a few, very carefully selected lines, the Streck family has been given a long life,” says Joel. As always, a lot of thought has gone into the details. This includes considering how the electric cable will hang, as this is strongly connected to the longevity and appeal of the product.

# Specification

## TECHNICAL SPECIFICATION

Design	Jonas Bohlin
Electrical data	Class I IP20 230V
Description	Powdercoated steel, black textile cord, powdercoated ceiling cup
Connection	2,5 m cable cord, ceiling socket
Light source	5x 6W LED-module, 1x 4W LED-module included, dimmable

## ARTICLE NO. & MODEL

36921-15-000	Black RAL9005/ brass
--------------	----------------------
